

And to Alpha, wherever you go on your onward journey, our hearts go with you, and hope of reunion in the future will never fade...

— Sandra Benes (Message From Moonbase Alpha)

14 DEATH'S OTHER DOMINION

From a planet encased in ice, the Alphans receive a transmission. Two voices- one bearing an invitation promising a long life, the other a dire warning to stay away. Here on Ultima Thule, Earthmen from a lost space expedition have found a new way of life... and a new way to cheat death.

Special Guest Stars:

Brian Blessed (Flash Gordon) as Cabot Rowland
John Shrapnel (Gladiator) as Captain Jack Tanner

Screenplay: Anthony Terpiloff and Elizabeth Barrows
Directed by: Charles Crichton (Into Infinity)

23 DRAGON'S DOMAIN

They say there aren't any monsters, but Tony Cellini knows better. He has battled one, and survived. Is Tony mad? Or has fate given him another chance? From an ill-fated mission to a destined confrontation, providence has written the score for a symphony of terror from which Alpha cannot escape.

Special Guest Stars:

Gianni Garko (Waterloo) as Tony Cellini
Douglas Wilmer (Octopussy) as Commissioner Dixon
Barbara Kellerman (Quatermass) as Dr. Monique Fauchere

Written by: Christopher Penfold (Casualty)
Directed by: Charles Crichton (The Professionals)

24 TESTAMENT OF ARKADIA

Luke Ferro and Anna Davis behold a miracle, when Earth's wandering moon comes into orbit around the planet Arkadia. The Alphans learn there is an order to the chaos of the universe far beyond human ken.

Special Guest Stars:

Orso Maria Guerrini (Waterloo) as Luke Ferro
Lisa Harrow (Omen III: The Final Conflict) as Anna Davis

Written By: Johnny Byrne
Directed By: David Tomblin
